Agenda

10AM Welcome Intro (short, sweet, prompt!) STAR Chair Bill Dennison UMCES, Vice Chair Mark Bennett USGS, Coordinator Peter Tango USGS.

10:05AM Brook Trout restoration tracking indicator (Doug Stang NYSDEC, Jennifer Greiner USFWS)

Request for an ad hoc team to be developed for recommendations on tracking and reporting recovery indicators.

10:20AM Streams Workshop 2013 (Jennifer Greiner USFWS)

Request for Streams Workshop and a product developed for CBP Restoration Guidance

10:35AM Approach to Assessing and Communicating Progress toward Water-Quality Standards and Thresholds (Scott Phillips USGS)

Request for a STAR Synthesis effort for an Integrated Approach to Assessing and Communicating Progress toward Water-Quality Standards and Thresholds

10:50AM Health and Restoration Indicators – 5 Quick Questions of Responsibilities and Review (Nita Sylvester USEPA)

Understand STARs role in addressing several CBP indicator questions; point out need for a process for this or related reviews going forward.

11:05AM Review of the GIT Goals list – Staffer/Coordinator Meeting integration with STAR (Carin Bisland et al.)

(Note – perhaps as part of this phase of the meeting STAR can report out after the goals review to briefly show the planned meeting themes for the next 9 months).

12:30PM Adjourn

Lunch

1:00-2:00PM STAR planning session (STAR Leadership, Staffer)
