

Citizens Advisory Committee

TO THE CHESAPEAKE EXECUTIVE COUNCIL

The Bay Program has drafted one-page documents on the background/justification of each of the Agreement Outcomes. Electronic versions are available here:

<http://www.chesapeakebay.net/publications/categories/category/outcome>

Note that there are 29 Outcomes and only 6 CAC subcommittees. You will not need to look at all of the Outcome documents, but you may find them helpful to better understand the overall effort of the Bay Program partnership resulting from the new Watershed Agreement.
