- 1:00 Welcome, Roll Call, Review of meeting minutes, Action Item Update – KC Filippino, Hampton Roads Planning District Commission
- 1:05 Update on High-resolution Land Cover and Hydrography Production – Rachel Soobitsky, Chesapeake Conservancy
Rachel will provide a brief update on the production and review status of the high-resolution land cover and hydrography data.
- 1:15 Evaluating Solar Field Land Use Characteristics in the Field – Mark Dubin, University of Maryland Extension
Mark will provide an introduction to the field campaign he’s initiated to evaluate the land use characteristics and context of solar fields in Maryland.
- 1:30 Status and Review of Land Use for 14 Prototype Counties – Peter Claggett, USGS
Peter will provide an update on the status and review process for the 2017 land use data under development for 14 Prototype Counties.
- 1:45 New Viewer for 2017 High-res Land Use and Land-Use Change Data – Rachel Soobitsky, Chesapeake Conservancy
Rachel will provide an introduction to the new 2017 land use viewer, enabling CBP Partners to examine and compare the data with 2017 aerial imagery and the former 2013 high-res land use. In addition, Rachel will provide a high-level overview of how the 2013 land use data will be revised so that it’s comparable with the 2017 version.
- 2:00 Update on the Land Use Methods and Metrics Outcome – Peter Claggett, USGS
Peter will present highlights on the Land Use Methods and Metrics Outcome before presenting them to the Management Board on February 11th.

Action Requested: The LUWG is asked for feedback on the highlights and “asks” of the Management Board.

2:30 Wrap-up/Upcoming Meeting Schedule – KC Filippino, Hampton Roads Planning District Commission

2:45 Adjourn

Next conference call: March 3rd (1:00pm-4:00pm) - Land Use Workgroup Meeting.
