1:00 Introductions and Announcements, review and update on action items from 11/9/2011 meeting (Scott Phillips):

Action Items:

Katie Foreman:

- Send communications document and link to the Murphy et al. article on DO.
- Determine review process for the “Lessons Learned / BMP Case Studies” project; coordinate review process. Coordinate with modelers, Liza, and Laura Medalie on the content of the document.
- Follow-up with Mary Ellen to determine if Anacostia should report the mean instead of the median DO readings. Get back to Tony and Sherm regarding this issue.
- Determine QA procedure for small urban sampling stations (with Mary Ellen).

Everyone:

Provide Jackie Johnson with site type information for B-IBI data.

Submit comments for “Lessons Learned” to Katie within 2 weeks.

Mike Koterba: Provide quarterly updates to the workgroup on the FAST process.

Adam Griggs: Work on trends and report back to workgroup.
