

2015 Priorities of the Status and Trends Team

Coordinator: Jennifer Gundersen

1. Identify Workgroup Chair.
2. Re-invigorate workgroup.
3. Work with STAC to revise Indicator Framework to describe:
 - a. Indicators that communicate our progress under the new Bay Watershed Agreement and
 - b. Indicators that help us adaptively manage per decision framework/management strategies.
4. Based on revised framework, identify gaps and necessary new indicators including those that can be streamlined or removed.
5. Work with BASINS 3 group to prioritize work plan and funding streams for new indicators.
