Partners

SS FieldScope

Why?

- **Report** = consolidate sustainable school efforts
- **Promote** = share efforts
- **Find** = search for partners, advisors
- **Explore** = understand extent and impact of sustainable schools

SS FieldScope Who?

- Open to all schools in Mid-Atlantic (no certification required)
- MAEOE Green School applicants require to add their schools

SS FieldScope What?

- Developed input variables by reviewing existing sustainable school programs
 - MAEOE Green School
 - New York Environmental Excellence
 - NWF Eco-School USA
 - PLT Green School
 - USDE Green Ribbon School
 - Virginia Naturally School
 - West Virginia Sustainable Schools
- Included measures on teaching and learning (Chesapeake Bay Program Education Workgroup)

SS FieldScope What?

- School information
- Presence practices (yes/no)
- Cumulative practices (current totals)
- Average practices (in typical year)
- Sustainable school awards
- Grants and funding
- Environmental literacy practices (student learning and teacher PD by grade level)

SS FieldScope

Work in progress

- 26 schools entered initial data (update every few years)
- Hosting webinars and call individual MD Green School to help enter data
 - Webinar dates: Oct 20, Nov 11, Dec 2 4:30-5:25pm
- How can we help you with this resource?
