LOOKING BACK...

IMPLEMENTATION OF CLIMATE DIRECTIVE

Chesapeake Executive Council
*Directive No. 21-1 Collective Action for Climate
Change*

- Principals' Staff Committee is directed to do the following:
 - **Address the threats** of climate change in all aspects of the partnership's work to restore the Chesapeake Bay and its watershed.
 - **Prioritize** communities and habitats most vulnerable to ever-increasing risks.
 - **Apply** the best scientific, modeling, monitoring and planning capabilities of the Chesapeake Bay Program.
 - **Connect** Chesapeake Bay restoration goals with emerging opportunities in climate adaption, mitigation and resilience.

WORKPLAN APPROACH
