

CHESAPEAKE BAY PROGRAM
WATER QUALITY GOAL IMPLEMENTATION TEAM

APRIL 8, 2019 ACTIONS AND DECISIONS

Meeting Materials: [Link](#)

Action: Any final comments from WQGIT participants should be sent to Lew Linker (llinker@chesapeakebay.net) prior to COB today, Monday April 8 for inclusion in the appendix to the briefing paper for discussion at the April 11 Management Board meeting on shaping research into BMP responses to climate change and BMP climate resiliency.

Action: WQGIT participants are encouraged to test the cost optimization tool VICO beta-1 version and send feedback on usability, features, and suggested improvements to Danny Kaufman, CRC (kaufmand@chesapeake.org). The link to the tool is available on the April 8 WQGIT [calendar page](#) and can be accessed here: <http://cloudfish.chesapeakebay.net:3838/vico/>.
