

CHESAPEAKE BAY PROGRAM
WATER QUALITY GOAL IMPLEMENTATION TEAM
AUGUST 19, 2019 SUMMARY OF ACTIONS AND DECISIONS
Meeting Materials: [Link](#)

Decision: The WQGIT approved rescheduling the next two meetings to Tuesday October 15th and November 12th to avoid conflicts with Columbus Day and Veterans Day.

Action: The WQGIT is requesting that the Milestones Workgroup (MSWG) provide recommendations on the development of numeric milestones, potential products to support milestones development and implementation, and parties responsible for developing such products.

Action: WQGIT leadership and interested members will set up a meeting to create a consistent process that encourages the adoption of innovative practices in an equitable fashion for emerging technologies. Email Hilary Swartwood (swartwood.hilary@epa.gov) to participate.
