

Me gusta Toda

La información  
que nos da sobre  
Los ~~pe~~ pesces y como  
preparar los y com  
sumirlos

"I like <sup>all</sup> the info [given] about the  
fish: how to prepare them: eat them."

Me gusta  
mucho el pez  
y como limpiar

GT:

"I really like the fish and  
how to clean."

PROTECT  
MY FISH  
BUDDIES

me gusta  
como se limpia  
y se prepara

GT: "I like to clean and  
prepare."

quiero el agua  
mas limpia  
y si me diera  
el medio  
ambiente  
para todos  
los sudano

Roughly:  
I like clean  
H<sub>2</sub>O, it improves  
the environment  
if we are  
all  
caretakers."

I don't  
like fishing  
but I like  
eating fried  
fish

Which  
Species  
have  
less  
pollution?  
→

Explain How to tell  
the difference between  
bottom feeder and  
the other fish.

WOMEN AREN'T  
JUST  
PREGNANT  
+ MOTHERS!

Is it important  
that she's  
pregnant?  
How much  
fish can she  
eat?  
if not,  
why make  
her pregnant?

Use QR or barcode  
to link to up to  
date information

Include Instructions  
on how to  
discard oil in  
environmental  
manner

i like the city.  
Make it bigger!

It is not clear that  
you are being told  
to follow the  
posted signs at  
the water's  
edge.

It is confusing  
what fish they  
are supposed  
to be.

I like the family is eating happily.

> I would change, Honestly  
Nothing. Everything seems nice

I had no clue we can safely eat some fish from the Anacostia River, and I'm otherwise reasonably informed.

① how do I know which fish is safer?  
② nice graphics

Good graphics  
- communicated the issues simply and direct.  
Preparation graphic could be clearer.

List what fish are safe  
~~good~~ unsafe  
Pop out?

Fishes are good but we need <sup>to help</sup> far to be healthy

↗ Are these the same guys
